

First I would like to congratulate you on your candidacy for the office of State Senator of the Legislative District 10.

On behalf of the 359 Volunteer Fire Companies in Maryland that we represent I would like to commend your efforts. Looking toward the future we would like your views and support on several issues which are of importance to the Volunteer Fire and EMS Services in Maryland.

I have attached a questionnaire that indicates some of the issues facing us and what will assist both the residents of Maryland and our 30,000 volunteers throughout the state.

I understand you are very busy campaigning but if you could please complete the enclosed questionnaire and return it in the enclosed envelope to the above address by September 15, 2018 we will be able to provide your responses throughout our membership.

If you have any questions or would like to contact me please call me at the number below or email me at your convenience.

Good Luck on your campaign and we of the Maryland State Firemen's Association look forward to working with you.

Sincerely,

Richard Blair
