

# 10 REASONS TO VOTE FOR THE TOP Laurie Halverson

- 1 **Passionate education advocate** with numerous accomplishments as a former Maryland Board of Education Member and local and county PTA leader.
- 2 Nation-wide recognition as an Obama administration **"White House Champion of Change"** for defending children.
- 3 **Depth of experience** as a community leader on numerous issues for over 15 years.
- 4 **Demonstrated that safety always comes first.** An advocate for School Resource Officers when the County Council cut them from the budget, Laurie supports fully backing our police force using all legal tools available as they work to eliminate gangs like MS13.
- 5 **A mom, single parent/widow** who understands single parenting, health issues, and financial issues Maryland families face.
- 6 **Positive relationships already built.** Laurie knows how to work with community leaders and elected officials to get things done.
- 7 **Proven bi-partisan leader** as a problem solver and unifier, stepping in to lead our communities when government and politics are not working well.
- 8 **Trusted by top elected officials.** Appointed to positions by Governor Hogan and County Executive Leggett.
- 9 **Experience in the private sector** as a senior analyst for a benefits consulting firm and human resources generalist for a Fortune 500 company.
- 10 **Committed to strengthening families** through policy changes that improve education, bring jobs, shorten commute times, halt rising health care costs, combat the opioid crisis, and more.

**Laurie Halverson will represent District 15  
and support Governor Hogan's common sense agenda.**
